Dear Golfer,

Please be our guest at the annual WSCGA Foundation PRO AM. This year's event is scheduled for March 2-3, 2008 and will be hosted in beautiful Solana Beach at Lomas Santa Fe Country Club (see below for more information).

The WSCGA Foundation is proud to announce the creation of the WSCGA Foundation's Lifetime Achievement Award. This prestigious honor will be awarded annually to recognize superlative achievement and extraordinary contributions in golf. The inaugural recipient is a fitting one, the Gloria Fecht Scholarship. Those who worked tirelessly to create and promote the scholarship as well as notable Gloria Fecht Scholars will be in attendance to receive this award and to begin, what we firmly believe, will be an annual celebration of the very best in Women's Golf.

Please mark your calendar now, and please hold your individual or foursome spot by emailing wscgaproam@gmail.com or calling the WSCGA offices. While more details will follow, it is important that you hold your spot now. Space is limited for this exclusive event.

The WSCGA Foundation is *your Foundation*. We sincerely hope to see you there!

About Lomas...

The 18-hole, par 72 Billy Bell-designed championship course is tough yet forgiving. Generous fairways give you plenty of grass to aim for, while well-positioned bunkers are ready to claim errant shots. Spectacular ocean views will test your focus as will Lomas' undulating greens.

About the WSCGA Foundation

The WSCGA Foundation represents the philanthropic vision of the 30,000 member Women's Southern California Golf Association. Since its inception in 2002, the WSCGA Foundation has raised nearly \$400,000 from the Pro-Am and other fundraising efforts by our 192 member clubs. These funds provide women's collegiate scholarships, community grants for girls' junior golf programs, and support for girls' high school golf teams including the CIF regional and state tournaments as well as awards for academic achievement. 100% of the funds generated by our Pro-Am are returned to benefit our local families in Southern California communities.
